

## Admissions and Re-Registrations Now Open

Admissions for the 2025–2026 school year are now open for KG1 to Grade 11. Families with siblings already enrolled will receive priority placement; however, seats cannot be guaranteed. We strongly urge families with siblings to submit applications as soon as possible to secure their spot. If you have family or friends interested, please share this information with them. Admissions will remain open until all seats are filled. Re-registration for current students will open on March 10, 2025.

## Business Technology 12 Students Impress with Innovative Food Truck Pitches

Our Grade 12 Business Technology students recently showcased their creativity and entrepreneurial skills in a Shark Tank-style competition, presenting innovative food truck business pitches to peers and school administrators.

Tasked with developing a business plan to secure a coveted food truck license at AGS, students conducted market research and crafted proposals targeting AGS students, staff, custodians, and parents. Their challenge was to create a detailed and realistic plan addressing key business components, appealing to potential investors.

To support their pitches, students designed a professional, minimalistic website using Google Sites to present their concepts and marketing strategies. The presentations were outstanding, reflecting thoughtful planning, teamwork, and entrepreneurial spirit.

*Mr. Paul Butler- Technology Teacher*

Aside from recognizing academic achievement, AGS also acknowledges student personal accomplishments that add to their personal growth. In December 2024, eleven of our grade 12 students have successfully completed an EFR (Emergency First Responder): Primary Care (CPR) with AED training and Secondary Care (First Aid) course earning an EFR license. This license is a legal document awarded by PADI and valid for 2 years. It is a bonus asset added to their CV when they apply to jobs and universities. The license entitles these students to assume responsibility and take part in an emergency situation. Their names are posted at the school clinic and offices as first responders until nurses or ambulance arrives. We are proud of:

*Amer O., Rwad K., Saif I., Omneya M., Yara M., Haya A., Hibba I., Jana F., Malak S., Maya M. and Zina K.*

Congratulations to all!

AGS is proud to announce that student Celine Ahyan Latisha Azzahra (4C) won a Gold Medal in the Junior Ballet category at the ballet competition hosted by the Global Performing Arts Alliance (GPAA) on January 12, 2025, at the Sharjah Performing Arts Academy. The GPAA is the largest dance and theatre competition in the UAE.

Our Music students have learned and displayed outstanding skills here at Abu Dhabi Grammar School. I am very proud to see how our students have progressed throughout the years.

*Mr. Artie Poghosyan- Jr. & Sr. High Music teacher*

*Ms. Kim's eye spied for this month*

KG2B students  
being creative!

Jana Mouhanna in grade 9 has been selected to represent the UAE Women National Team to take part in a training camp that will include two international friendly matches. During the winter break she was also selected to attend the 2 weeks camp that was held in Dubai and played 4 games against Bahrain National team. Way to go Jana!

We did it! I would like to congratulate everyone who participated in this great event, including the parents for their full support. This team finished top of the group and qualified for the final Playoffs of U 11 Football Tournament, 1st Division! This win is a testament to your hard work, dedication, and consistency! Very proud of us!

***Mr. Sorin Petcu – PE and Football Coach***

The U14 Girls Junior NBA team has had a successful start to their first season. From so many schools registered in this event our girls managed to qualify for this competition. This is the first time playing basketball for many of the girls and they are improving their skills quickly by practicing regularly, playing games against other schools, and cheering each other on. Go AGS!

The 2024-2025 school year came with a huge surprise! Our U14 basketball team is competing in the famous Jr. NBA tournament. This environment not only empowers us, but it provides us with new beginnings. Playing at this standard and very strong teams, AGS has reached a different level of game, that can't be achieved through individual efforts alone. Well done boys!!!

Coming back from the winter break students still had places to go around in Abu Dhabi with their teachers and school mates. Keeping winter season in mind, grades KG 1 – Grade 1 had a great time at Snow Abu Dhabi. Grades 2 & 3 had a lovely experience at the National Aquarium, grade 4 had a great time at SeaWorld and an exciting time for grade 5s at Warner Bros.. Ferrari World was a thrilling experience for the grade 6s. To make the most of the great weather outside, junior and senior high students went on Desert Safari trips to explore the natural landscape of the UAE.

SeaWorld G.4

Warner Bros. G. 5

Safari Trip- Jr. High

National Aquarium G.2

Snow Abu Dhabi KG 1
