

Global day had a different feel this year. It was very cozy and homey. Zoomed in more on the common street. We saw doors, street food stands and national costumes of different countries. The students worked so hard to reflect their national identity. A special guest visited the school on this day....His Excellency Radha Panday, the Ambassador of Canada to the UAE. He enjoyed the culture shows choreographed by Mr Tariq, Mrs Kailey's choir group and the playing of Mr Artie's music band.

The AGS School Athletic Awards Ceremony 2025 was a celebration of dedication, determination, and sporting excellence. Held in the school gym on 12 May, the event honored students who displayed outstanding achievements, perseverance, and sportsmanship across a range of sports throughout the academic year. Congratulations to all!

Mrs. Dragana M. – Head of PE Department

Our Communications 11&12 students recently had the exciting opportunity to participate in a hands-on photo tour hosted by the Apple Store at the Galleria Mall. The session, **Framing Urban Architecture**, offered students a chance to explore new perspectives in architectural photography using smartphones. Students learned how to creatively capture buildings, structures, and architectural details by focusing on angles, lines, textures, and shapes to enhance their composition. CMT students were engaged in developing their visual storytelling skills in a real-world setting. It was an inspiring experience that blended creativity with technology—perfectly aligned with our curriculum goals.

2025 came with a very important new initiative for our school. AGS has become part of The GOALS UAE network where we have played a pivotal role. Our year-long engagement of 40 AGS Highschool students and teachers was instrumental. We successfully helped to facilitate an amazing program for POD athletes with Goals UAE and Wolfi's Cycling Academies, a program that has been recognised with the Gold Award for Best Inclusive Initiative at the Middle East Sport Industry Awards.

Mrs. Dani B.- Basketball Coach & PE Teacher

Monday, May 26th saw the culmination of our Grade 10 Football Tournament, with the final pitting Aura FC against Sigma FC. After a keenly contested match, it was Aura FC who took the victory on a scoreline of 3-2, and with it the title of inaugural Grade 10 Football Champions. Well done to all players who participated and, once again, congratulations to Aura FC on their win!

Mr. Declan M. – Football Coach & PE Teacher

We're happy to announce the great success of two of our **Grade 5 students**, Yousef Khalil and Adam Bakri who emerged victorious with their team at the U 11 Football **UAE Championship Summer Cup** over the past weekend!

Mr. Sorin P. – Football Coach & PE Teacher

Over the weekend, Mohamed and his team (Regional Under-16) won the UAE Open Championship held at Hudayriyat Island. Mohamed was also honored as the Most Valuable Player in the final match — a proud moment for all of us.

Additionally, Abdul Monem achieved a great milestone as well, winning the championship in the same tournament with Al Jazira's Under-8 team.

It was truly a wonderful weekend, and we're delighted.

It was an absolute pleasure to welcome **Jenny Karnjanavijaya, Vice-Consul and Trade Commissioner for UAE**, to Abu Dhabi Grammar School (CANADA) on Friday, May 16th. We thoroughly enjoyed her visit and the insightful discussions we had, particularly regarding our high school students' transition to universities, especially within Canada. We also greatly appreciated the opportunity to discuss how **Canada is represented within the education sector here in the UAE**. Her engagement and praise of Abu Dhabi Grammar School (CANADA) was greatly appreciated, and we look forward to potential future collaborations.

Mr. Manny Y. – Grades 5 – 8 VP

Mr. Paul, Junior High Tech teacher would like to acknowledge the outstanding accomplishments of two of our Grade 8 students, Juan Hasem Kilani and Rayyan Abou-Shahla. Both students recently completed an accelerated introductory course in Computer Science, demonstrating exceptional determination and hard work. Their commitment to mastering complex concepts and their enthusiasm for learning have set a remarkable example for their peers. We commend Juan and Rayyan for their dedication and look forward to their continued success in the field of technology.

ABC Countdown to Summer!

KG2 is making every day count with their **Alphabet Countdown**. A fun and memorable way to celebrate the final days of school! Each day, they focused on a letter of the alphabet, starting with **A** and ending with **Z**, with exciting activities, themes, and learning moments tied to each letter. From **Animal Day** to **Zip Up ,Zip Out Day**, KG2 students were enjoying a creative journey through the ABCs!

Here are a few snapshots to see how they celebrated the letter "Letter of the Day"! KG2 will share highlights from each special day through Facebook postings and Class Dojo . Watch along and celebrate with us as they countdown to summer break!
