

### **Status of KG1 2026**

AGS has been piloting the KG1 program from Nova Scotia for the past 3 years. After thoughtful review, we have decided not to continue offering the KG1 program after the end of this school year.

Therefore, we will not be accepting applications for KG1 for the **2026–2027 academic year**.

We sincerely appreciate your interest and appreciate your understanding.

**Warm regards,**  
**AGS Administration**
