

Thursday, March 19, 2026

Dear AGS Parents and Guardians,

I hope this message finds you and your families well.

Following guidance from the UAE government and ADEK, we will be continuing with distance learning for the next two weeks, through to Friday, April 3. This decision has been made to ensure the continued safety and wellbeing of our students and staff, and the situation will be reviewed by the UAE government on a weekly basis.

For AGS, online learning will resume at **8:00 a.m. on Monday, March 23**. Teachers will share all necessary information for joining classes via ClassDojo and Google Classroom. Attendance will be taken following normal school regulations.

Students in **Grades 6–12** will follow their regular timetables, and we will no longer be operating on the Ramadan schedule.

Students in **KG1–Grade 5** will join their classes at 8:00 a.m. each day, and teachers will review their daily schedule to ensure a smooth and supportive learning experience.

We understand that this period has brought challenges and disruptions to many families, and we truly appreciate your patience, flexibility, and continued support. Our goal is to provide as much structure and normalcy as possible so that students can stay engaged, connected, and continue progressing in their learning.

Please be assured that our teachers and staff are committed to supporting your children every step of the way. If you have any questions or need assistance, we encourage you to reach out to your child's teacher or school Administration via email. School staff will not be physically in the school so phone calls will not reach us..

We will continue to navigate this time with resilience and care. We are confident that, by working together, we can ensure our students remain positive, motivated, and successful in their learning.

Thank you for your ongoing support.

Eid Mubarak!
