Online Learning Extended to Friday, March 6

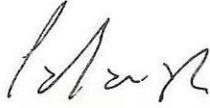

Dear AGS community,

Online Learning will be extended to the end of Friday, March 6.
For the next two days teachers will continue to post work online.
If students have questions about assignments they can email their teachers from 9am to 2 pm, seeking clarification and assistance.

We will continue to keep the AGS community informed as events change.

We hope everyone is keeping as well as possible, in these disrupted times.

Kind Regards,

Pat Savage
Principal- AGS
