Hawaiian DAY

A huge thank you to our amazing Student Council for organizing Hawaiian Day and making it such a success!

The school was full of great energy, creativity, and island vibes, and the bake sale was a hit! Your hard work and dedication truly made the day special.

TRUTH AND RECONCILIATION DAY

D A Y

Truth and Reconciliation Day is a time to honour the children, families, and communities affected by residential schools, remember their stories, and support the ongoing journey towards healing and reconciliation. We wear orange to show our respect, raise awareness, and stand in solidarity with Indigenous people.

PEACE DAY

Our school came together to celebrate International Peace Day, a day to promote kindness, understanding, and unity within our community. Students wore white to show their support, and our **Student Council** brought a poster for everyone to **leave their thumbprints**, creating a collective piece that represents our shared commitment to a more peaceful and inclusive world.

BUS SAFETY ASSEMBLY

Our school recently held a **bus safety assembly**, where students watched an important video to raise awareness about safe and responsible behavior on school buses. The session highlighted key safety rules and reminded everyone of the importance of keeping our school community safe while travelling to and from school.

JUNIOR HIGH

GRADE 7s

STARTING TO USE CHROMES!

Our Grade 7 students are now beginning to use **Chromebooks** as part of their learning Journey!

This new step will help them build important digital skills, access resources, and engage in a more interactive and collaborative learning experience.

CAFETERIA FOOD SURVEY

**YOUR OPINION
MATTERS!**

- ☒ BETTER FOOD
- ☒ MORE OPTIONS
- ☒ A HAPPIER CAFETERIA EXPERIENCE

Students recently took part in our Cafeteria Food Survey, sharing their thoughts on the current menu, favorite meals, and ideas for new options. Their feedback gave us valuable insight into what students enjoy and what they would like to see improved, helping make the cafeteria experience better for everyone.

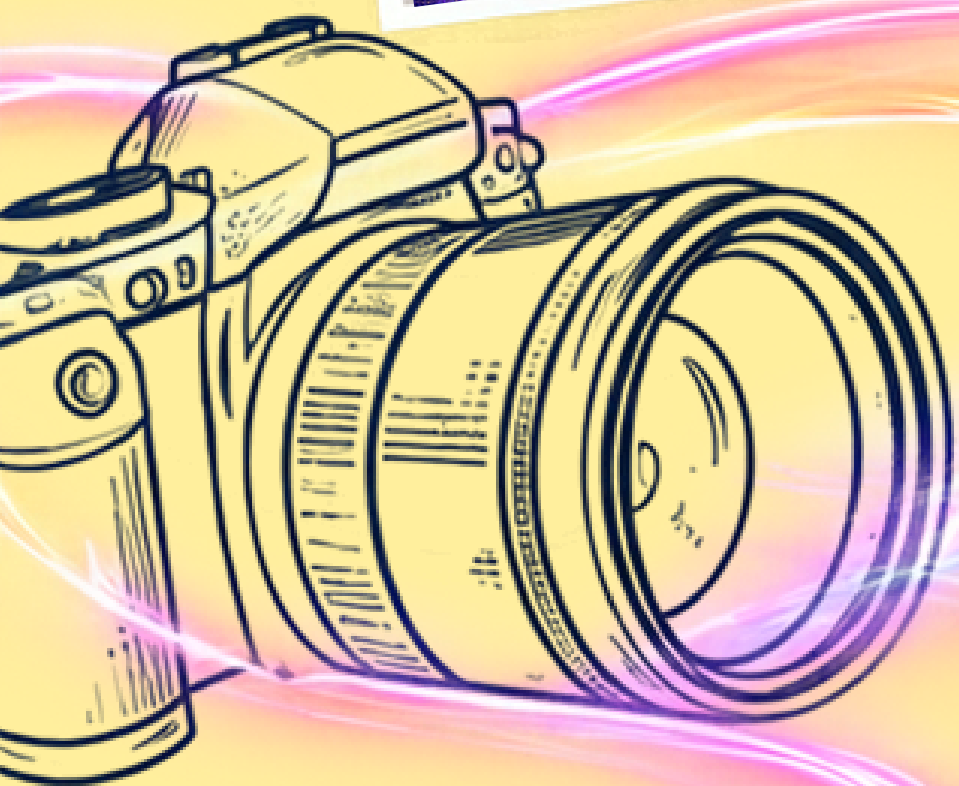

Light PAINTING

FILM & VIDEO CLASS

Our Film & Video students explored the art of light painting, a photography technique where light, movement, and long exposure come together to create stunning, one-of-a-kind images.

Through creativity, experimentation, and a lot of patience, students brought their ideas to life and turning ordinary spaces into extraordinary scenes.
